Further, the original and revised estimates in respect of the marginally noted other improvements and comparative statement, showing rates as per the revised estimates which are as per accepted tender and the rates as per the original estimates are also enclosed in the records.

If the charges are, therefore, calculated accordingly at 10%, the total cost of the revised estimates for the construction of the Sri Prasanna Nanjundeswaraswamy temple and the other improvements, amounts to Rs.16,184/- as against Rs.10,224/- as noted in the margin.*

With reference to your Lr.No.M.C.4148/43-44 dated 21-3-1943 calling for submission of the records connected with the above subject, I have the honour to forward the same herewith and to state as follows:-

Government have in their order No.[illegible]/Koz.356-39-2 dated 17-7-1940 sanctioned an estimate for Rs.7000/- for certain items of work connected with the Damodar Dass charities in Kunigal taluk, out of which the construction of Sri Prasanna Nanjundeswaraswamy temple at Bandihalli is for Rs 7000/-. While the work was under progress the Dharmadarsis proposed leaving a clear space of 10 feet around the temple(between the compound wall and the temple) to allow procession of Deities to pass and provision for a wooden [illegible] in front of the temple.
